Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 6/05/06 has been entered.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joseph V. Gamberdell on 9/7/2006.

The application has been amended as follows:

Claim 17, at first line:

A computer [usable] readable medium comprising an application for reducing power consumption in an electronic device, including computer program code which when executed by the electronic device causes the electronic device to:

use a first part of the display element and switch off a second part of the display element to conserve energy;

Art Unit: 2628

change the position of the first part of the display element on the display element at a first set interval and change information displayed on the first part of the display element with update information from a second application during energy conservation mode; and present information on the first part of the display element.

Allowable Subject Matter

Claims 1-7, 9-12, and 17-23 are allowed, corresponding to renumbered claims is: 1-18.

Claims 8, 13-16 and 24-27 have been cancelled without prejudice.

The following is an examiner's statement of reasons for allowance:

Changing information displayed on the first part of the display element with update information from a second application during energy conservation mode.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Javid A. Amini whose telephone number is 571-272-7654. The examiner can normally be reached on 8-4pm.

Conclusion

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kee Tung can be reached on 571-272-7794. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
